

### **Flag Football Power Rankings**

- 1. Thunder (0-0)** – With a lot of teams breaking up it pretty much paved the way for the Thunder to win again this year.
- 2. Unknowns (0-0)** – No telling what the roster will be like for this team this year, but you know the will be faster and more fit than any other team in the league.
- 3. Marvel (0-0)** – This could be the most interesting team put together this year. I like the pass rush and love the receiving core. Could be dangerous.
- 4. Armageddon (0-0)** – This is not your father's Armageddon. No this is what's left of last year's Armageddon team.
- 5. Norsemen (0-0)** – Brian you took so long to turn in the money I thought you weren't coming back? You could call or text me and let me know everything was okay?
- 6. Crack Attack (0-0)** – This year's Crack Attack team actually has more than 4 players so they will get a breather here and there. Although the roster looks like a Stark Family reunion.
- 7. Gunshow (0-0)** – You know what you're getting from these guys. Solid play and always dangerous.
- 8. Showtime (0-0)** – I've equated what Billy did to Dome, to what LeBron did to Cleveland. Unfortunately Jose Bou has a target on his back because he is friends with Dylan Swan.
- 9. Dome (0-0)** – When you lose your QB, think you've signed a top QB and find out you really didn't. Then you lose your rusher to free agency. You are looking at a rebuilding year. Maybe trade Augle for some picks?
- 10. Hit Men (0-0)** – Dylan Swan.
- 11. Blue Zone (0-0)** – These guys might be ready to take the next step. This is their 3<sup>rd</sup> year in the league. I think that's when the game starts slowing down for teams.
- 12. Outcast (0-0)** – Stayed very low key last year. Wonder if that can last.

13. **Vengeance (0-0)** – This team will probably be bad, but Dan, Joel, and Jim are nice guys.
14. **Yum Yum Time (0-0)** – I'm not really sure who this team consists of so I'll have to leave it at that.
15. **Pez (0-0)** – No Eric this year means a terrible year for Pez. He was really the only cool thing about Pez.
16. **Multiple Scorgasms (0-0)** – I can't imagine these guys being an sort of good, but if they bring that big WR from the Playoffs last year they may be decent.
17. **Lightning (0-0)** – This team has been around a long time, but just haven't gotten any better and unfortunately they've gotten older as well.
18. **Kekambas (0-0)** – I love the hardball reference. We should do something in honor of G Baby one night.
19. **Chicago Huddle (0-0)** – Only reason this team isn't last is because they played last year.
20. **Big Tuddies (0-0)** – Over/Under this year on wins is 5. I'm taking the under.
