

Flag Football Power Rankings

- 1. Thunder (3-0) (PPG 30 PA 6) (Last Week 1)** – I don't need to watch these guys, I don't like watching blood baths.
- 2. Unknowns (3-0) (PPG 24.3 PA 8.7) Last Week 2** – Electrifying team. They always are. But this league is all about systems and the Thunder's is the best.
- 3. Marvel (3-0) (PPG 28.7 PA 14.7) Last Week 3** – This newly formed all-star squad led by Eric. Yeah, I'm going to say Eric is the leader because he is awesome at everything so I can imagine he'd be an awesome leader.
- 4. Gunshow (3-0) (PPG 28.7 PA 18.0) Last Week 7** – Back to my point about systems. These guys have one and a good one at that.
- 5. Outcast (2-1) (PPG 23.7 PA 19) Last Week 12** – Ok I hated on these guys, but they came out and beat a couple good squads.
- 6. Norsemen (2-1) (PPG 30.7 PA 21.0) Last Week 5** – These guys make me the happiest cause they love the Dome food. You want to win me over. Complement our food.
- 7. Crack Attack (2-1) (PPG 25.0 PA 30.7) Last Week 6** – I thought these guys added guys to their roster, but then they show up with the same 4 guys. Looked good against Dome. The rush was killing them.
- 8. Dome (2-1) (PPG 30 PA 18.3) Last Week 9** – I'll admit I was down on this team. After their first game I thought they might be the 2008 Detroit Lions, but they stepped up the next 2 games.
- 9. Armageddon (2-1) (PPG 20.3 PA 19.0) Last Week 4** – These guys are definitely not as explosive as years past.
- 10. Hit Men (2-1) (PPG 21.7 PA 11.0) Last Week 10** – Did anyone see how much Superman apparel Marcus had on after the game?
- 11. Showtime (1-2) (PPG 19.7 PA 21.3) Last Week 8** – I can't put my finger on this team, but it could be a tough year for these guys.

- 12. Vengeance (2-1) (PPG 20 PA 21.7) Last Week 13** – Dan Topel was pretty much unstoppable. I think Eric from Marvel took under his wing like Marshall and Alshon. Turned him into what you are currently seeing.
- 13. Chicago Huddle (2-1) (PPG 15 PA 10.7) Last Week 19** – Pretty easy schedule, but was 1 point off of going 3-0 so you have to respect what they are doing.
- 14. Blue Zone (0-3) (PPG 19 PA 32.7) Last Week 11** – Did not start off well. This team is a One Trick Pony.
- 15. Yum Yum Time (0-3) (PPG 7.3 PA 29) Last Week 14** – I couldn't tell you much about this team. It's a lot of guys playing positions I haven't seen them play before.
- 16. Pez (0-3) (PPG 8 PA 27) Last Week 15** – No Eric shows with this team. He could will them to more wins without talent. Now they don't really have talent and they don't have Eric.
- 17. Multiple Scorgasms (1-2) (PPG 19.3 PA 19) Last Week 16** – In one week they tied their last season win total. I'm impressed.
- 18. Kekambas (1-2) (PPG 12.7 PA 21.7) Last Week 18** – Someone needs to have Big Poppa playing to help these guys play better.
- 19. Lightning (0-3) (PPG 14.3 PA 29) Last Week 17** – I think they just want to get out of the house on Friday nights, because I know they don't enjoy getting beat up every week.
- 20. Big Tuddies (0-3) (PPG 8.7 PA 21.7) Last Week 20** – My under bet is still pretty safe.
