

# Share Your Christmas Spirit with the children at the SHRINERS' HOSPITAL FOR CHILDREN

The Bridgeview Park District invites you to share your Christmas Spirit with children who will not be home for Christmas. Bring in a new toy or game, for any age, to the Bridgeview Park District "Kids' Sharing Tree" at the Bridgeview Park District Sports Complex, 8100 S. Beloit.

Let's decorate the "Kids' Sharing Tree" with your gifts today or bring your gifts to Bridgeview Park District Grinch-style Christmas Tree Lighting on Friday, Dec. 7th.

All gifts will go to the patients at the Shriners' Hospital for Children so they too may have a Merry Christmas.

Bring a new toy or game to the Bridgeview Park District, 8100 S. Beloit Monday thru Friday from 8 a.m. to 8 p.m. , Saturday: 9 am thru 3 pm, and Sunday: 9 am thru noon. For more information call 708-594-1818.

★ All gifts from the "Kids' Sharing Tree" will be presented to the children at the Shriners' Hospital for Children in time for Christmas.
