

**BRIDGEVIEW CHAMBER OF COMMERCE & INDUSTRY'S**  
**25th Annual Food & Toy Drive**  
**October 22nd to December 10th, 2014**

**Collection Sites Needed**

The Bridgeview Chamber is preparing to promote its **25th Annual Food & Toy Drive** to benefit needy families and children.

**We are seeking the support of our members for this effort.**

Over the years, our Chamber has distributed toys to over 1600 children. We have made food drops to local pantries and other community service organizations.

**If you choose to participate and become a collection site:**

- All participants will receive posters to promote the drive at our 3rd Kick Off Event
- Participants will be listed in our newsletter as official collection sites.
- Participating companies are responsible for collecting donations at their facility.
- Participants are required to make their own collection boxes for non-perishable food items and new toys (being as creative and festive as you can).

**Help us continue to spread Christmas joy to those in need.**

All donations received will be picked up by the Chamber on Wednesday, December 10, 2014 for distribution before Christmas.

**YES! We want to be an official Collection Site.**
