Dear Business Owner,

The Bridgeview Chamber of Commerce & Industry annually awards scholarships to assist students with their college expenses. Since 1980, our organization has issued over \$120,000.00 in scholarship awards to local students.

The Bridgeview Chamber scholarship program is for student residents of Bridgeview or employees (and/or their dependents) of a current chamber member company in good standing. The recipients are chosen based on academic performance, financial need and community involvement. Please call or email the Bridgeview Chamber office for a scholarship application.

Please consider contributing to the 2013 Scholarship Fund. Chamber member contributions are the primary funding source for our scholarships. All donors will be recognized in the Chamber Newsletter, local press releases and at the award ceremony. Please make your donation check payable to the Bridgeview Chamber of Commerce. Thank you in advance for your generosity.

Sincerely,

Scholarship Committee

Nick Janis

Melody Kalantzis

Anne Zawaski
