

Week 8 Power Rankings

- 1. Thunder (23-1)** – I saw an episode of Law and Order: SVU that wasn't as graphic as what the Thunder do to some teams in this league. (Last Week 1) (PPG 32.3, PA 11.6)
- 2. Unknowns (21-3)** – Get another crack at Thunder this week so far the only team to beat them. (Last Week 3) (PPG 26.5, PA 17.9)
- 3. Armageddon (21-3)** – We should have a tie for the first time in Power Ranking history between Armageddon and Unknowns, but we will never find out whose better because I can't make a perfect schedule and they never play. (Last Week 2) (PPG 32, PA 15.3)
- 4. Norsemen (17-7)** – Eric Potempa owes Mike Vargas one ride anywhere in the county. (Last Week 5) (PPG 25.9, PA 16.8)
- 5. Untouchables (16-8)** – This team is taking a run at the division lead over the Dome squad and the way the Dome is playing of late that could happen this week. (Last Week 6) (PPG 24.8, PA 21)
- 6. Dome (18-6)** – This team has falling apart in the past few weeks. Kory Fortman is almost a Rex Grossman clone cirque 2005-2006. You guys know what I'm talking about when he was unreal the first 6 weeks then you completely feel apart. (Last Week 4) (PPG 25.3, PA 17.9)
- 7. Lynch Mob (16-8)** – One of the hottest teams in the league right now and they have one of the most dangerous receivers in the league. I wish I knew your name so I could give you a shout out. Name Tags anyone? (Last Week 8) (PPG 21.8, PA 17.7)
- 8. Gunshow (15-9)** – Very quiet as of late, but they never seem to get blown out. (Last Week 7) (PPG 21.9, PA 15.3)
- 9. Outkast (14-10)** – Got back to winning going 3-0 last week. (Last Week 10) (PPG 21.6, PA 23)
- 10. Crack Attack (12-12)** – You can't deny they always have the best jerseys and Ciara has some pretty sweet cleats. (Last Week 9) (PPG 20.2, PA 20)
- 11. Pez (12-12)** – Finally at .500 this team is on the upswing right when they need to be. (Last Week 11) (PPG 21, PA 17.7)

- 12. Lake Flacid (10-14)** – Taunting penalty one week and got a guy ejected the next week. They are challenging Oukast for Bad Boys of the league. (Last Week 12) (PPG 20.3, PA 22)
- 13. Blue Zone (10-14)** – Tough loss to Outkast this week, but they have 2 cracks at Multiple scorgasms which shouldn't burn too many calories. (Last Week 13) (PPG 21.3, PA 22.5)
- 14. Goodfella's (9-15)** – Maybe Sal shouldn't be drunk when he shows up? (Last Week 14) (PPG 18.8, PA 22.5)
- 15. Schmutechs (8-16)** – Is it a mystery to anyone else that Burger can get so open? Oh, and they are 1-5 with Marcus and I'm pretty sure Lynch Mob is 6-0 without him. (Last Week 15) (PPG 20.1, PA 22.2)
- 16. Primetime (5-19)** – Nobody wants their record, but I'm sure a few people would like to have their spandex they play in. (Last Week 16) (PPG 13.1, PA 24.8)
- 17. Crush (5-19)** – These guys make my Power Rankings this week look good. (Last Week 17) (PPG 14.3, PA 23.8)
- 18. The Lightning (4-20)** – Barely snuck out a win against Multiple Scorgasms. That's not good. (Last Week 18) (PPG 14.5, PA 27.2)
- 19. Fumble This (3-22)** – Only 2 games this week should be helpful. (Last Week 19) (PPG 13.7, PA 24.2)
- 20. Multiple Scorgasms (0-23)** – These guys have to play 4 games this week. I'm sorry to anyone that has to play them. Or maybe you're welcome. (Last Week 20) (PPG 7.1, PA 33.2)
